

## NCRA/ANREC Board Nomination Form

*“The NCRA Statement of Principles mandates the NCRA to commit to providing alternative radio to an audience that is recognized as being diverse in ethnicity, culture, gender, sexual orientation, age, and physical and mental ability. **The Board of Directors should reflect this diversity in its composition and it is the responsibility of members of the association to implement these principles through the election process**” (Member Resolution 2009-F2).*

Volunteering on the NCRA/ANREC Board of Directors is an opportunity to provide direct input into the organization, help develop the campus and community radio sector as a whole, gain exposure to different points of view and approaches to campus and community radio, and build relationships with people from across the country.

The NCRA/ANREC is a governance board. Governance is about making decisions about the overall direction of the organization, setting annual priorities, overseeing the Executive Director, and setting policy. Our staff do most of the work of the association, often in collaboration with committee volunteers.

Directors commit to:

- ✓ Attend monthly 2 hour (online) meetings.
- ✓ Contribute effectively to the work of at least one NCRA/ANREC’s committee.
- ✓ Read monthly reports, meeting minutes, budgets, and other documents.
- ✓ Participate in email discussions and respond to emails in a timely fashion.
- ✓ Attend the NCRA/ANREC’s AGM (which is on Wed. Oct 28th, 2020)
